

Dear Mr. Christopher Grossman:

The Department of the Navy is providing the Draft Remedial Investigation Report for the Remedial Investigation at UXO Site 3 – Dredge Pond 3E and Northern Marine Corps Firing Range at the Former Mare Island Naval Shipyard, Vallejo, California dated July 2021 for your review.

The Navy respectfully requests your comments by Friday, September 3, 2021.

Thank you for your continued support with this program. Should you have any questions or need additional information, please contact Ms. Bonnie Chin at (619) 524-5259, or you can contact Mr. Scott Anderson at (619) 524-5808.

Sincerely,

Bonnie R. Chin

Environmental Engineer/RPM-Mare Island

NAVFAC Southwest – Navy BRAC PMO West
