RE: Renewal Application for License SNM-1373 (Docket 70-1374)

Dear Mr. Siurano-Perez,

We request renewal of License SNM-1373 for a period of ten years in accordance with 10 CFR 70.22. The attached renewal application specifies the planned uses of the special nuclear material and measures that will be conducted to ensure safety during use and security for the material. The application addresses all items required in 10 CFR 70.22.

We thank you in advance for your consideration of the requested license renewal. If you have any questions or require any more information, please contact me at donnalybecker@isu.edu, Dr. Mary Lou Dunzik-Gougar at mldg@isu.edu, or Mr. John Longley at johnlongley@isu.edu.

Respectfully submitted,

Donna Lybecker, Ph.D.
Acting Vice President for Research
Idaho State University
