Re: License Amendment Request for SIA Solutions LLC (No. 42-35287-01)

Dear Sir or Madam:

SIA Solutions LLC (SIA) is providing this written notification for a license amendment request regarding a status change in its ownership. The subject license will continue to be under SIA Solutions LLC. NRC Form 313 is attached. No fee is associated with this amendment change.

SIA is a Texas limited liability company and was a participant in the U.S. Small Business Administration's ("SBA") 8(a) Business Development Program (the "8(a) Program"). Due to the outstanding growth of the company, SIA voluntarily has decided to end its participation in the 8(a) Program to implement new strategies to maintain the growth and sustainability of the company.

To ensure that we can continue to expand our services and geographic coverage and our sustainability after this graduation, SIA entered into a "Merger" agreement effective immediately with Global Engineering Solutions, Inc. (GES), a Maryland corporation and a wholly owned subsidiary of Salas O'Brien, Inc. GES and Salas O'Brien are both US entities and are not foreign owned.

Following this Merger, SIA will continue to operate as a stand-alone, independent company, as a wholly owned subsidiary of Salas O'Brien and maintain its existing Name, Corporate Address, DUNS Number, Cage Code, and Taxpayer Identification Number. The subject license will continue to be in the name of SIA Solutions LLC. I will continue to lead SIA subsidiary as the CEO & Managing Principal and Mr. Henry Siegrist will continue to be our Corporate Radiation Safety Officer managing our Radiation Safety Program and reporting to me.

SIA greatly appreciates all the oversight/assistance that NRC provides to SIA in maintaining our License obligations and looks forward to continuing our excellent professional relationship.

Should you have any further questions, please do not hesitate to contact the undersigned.

Respectfully submitted,

Srini Neralla, Ph.D.
CEO & Managing Principal
