Casey,

Thanks for the reply. The correct zip code is 83440; sorry for the confusion. I will get to work to get you the facility diagram.

Sincerely,

Kevin

Hi Kevin,

I am working on your license and I noticed when I put your new address into our system, it says that the zipcode should be 83440, but your letter says 83340. Which is correct?

Thanks,

Casey
