**SUBJECT: PERKINELMER, INCORPORATED AMENDED SEALED SOURCE AND
DEVICE REGISTRATION CERTIFICATE NR-0536-D-110-B**

Dear Ms. Honcharik:

This is in response to the PerkinElmer, Inc. (PerkinElmer) request dated May 17, 2021, requesting an amendment to Sealed Source and Device Registration Certificate NR-0536-D-110-B to modify the manufacturer's address and inactivate the model Voyager. We have completed our review of your request, and a copy of the amended registration certificate NR-0536-D-110-B is enclosed.

Be advised that PerkinElmer's request to transfer the model Voyager to an inactive status was already reflected in the registration certificate through an amendment in 2002. Notwithstanding, additional language was added to the registration certificate for clarification purposes to state that the model Voyager is currently registered on a separate sealed source and device registration certificate.

Please read over the registration certificate in its entirety and notify us immediately of any errors or omissions.

You are obligated to notify us promptly in writing if you decide to no longer manufacture, distribute, or offer service support for the product.

If you have any questions, please contact me at Tomas.Herrera@nrc.gov or at (301) 415-7138.

Sincerely,

7/28/2021

X
