Good afternoon Mr. Vincent,

I have reviewed your renewal application dated 5/13/21.

In a signed and dated letter by the RSO or management, please provide:

1. Please clarify/request to remove Drs. Coop and Ries from your license (you did not provide their information; therefore, I am assuming the physicians no longer work at your facility).
2. Please resubmit the Delegation of Authority Memo (please have the RSO and management resign the memo with new dates).

Please let me know if you have any questions.

Please provide your response by 7/16/21 directly to me via email.

Thank you
