Dear Mr. Muzammil:

This letter concerns the subject request for a new U.S. Nuclear Regulatory Commission (NRC) License. Your new license application is available electronically from the Agencywide Documents Access and Management System (ADAMS) at Accession No. ML21161A256.

Based on the telephone conversation on June 15, 2021, with a follow-up confirmation letter dated June 21, 2021, you informed us that you no longer need the requested action and you are withdrawing the application for a license from the NRC. Therefore, we have administratively closed your new license application. Note that if you submit a new request at a later date, you may refer to Control No. 626967 for the documentation you have already submitted.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice and Procedure," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from ADAMS, accessible from the NRC Web site at <https://www.nrc.gov/reading-rm/adams.html>.
