Noah,
Is there a reason that Mr. Paul's Gauge training and HAZMAT training are not signed? The copies that I have do not have a signature.
Thanks,

Casey Alldredge

Good afternoon Mr. Molnar,

I apologize if I already sent a message about this. I thought I had but can't find it in my email. Could you please provide the contact info for Mr. Paul so that I can update our records when I amend your license to make him RSO?

Thanks very much,

Casey Alldredge

*Hazmat Certification
as required by U.S DOT and IATA*

This certifies that

Russell Paul

has been trained and tested in accordance with the U.S. Department of Transportation and International Air Transport Association (IATA) hazardous material requirements for general awareness/familiarization, function-specific, safety and security awareness training as related to the transportation of nuclear gauges. A description of the training course materials is available from Troxler Electronic Laboratories, Inc.

Date **May 01, 2021** Expires **Apr 30, 2024**

EMPLOYER CERTIFICATION

I certify that the hazmat employee identified on this certificate has been trained and tested as required by U.S. DOT Hazardous Material Regulations (49 CFR 172 Subpart H).

Signature *[Handwritten Signature]* Title *LSO* Date *5/3/2021*

Troxler Electronic Laboratories, Inc.
P.O. BOX 12057 - 3008 E. Cornwallis Road - Research Triangle Park, NC 27709
Phone: (919) 549-8661 - Fax: (919) 549-0761 - www.troxlerlabs.com

Nuclear Gauge Safety Certification

This certifies that

Russell Paul

has successfully completed the official Troxler nuclear gauge user safety training course. This person was taught and demonstrated their knowledge of radiation safety and regulatory requirements associated with the use of portable nuclear density gauges on this date:

May 01, 2021

This certificate is not valid until signed by the licensee RSO.

I attest that the person named above, and no other, completed the online course and tests. I certify that the individual has completed practical skills training for setting up and making measurements, routine maintenance, packaging and transport, storage, and emergency procedures for portable nuclear gauges.

Licensee RSO _____ Title RSO _____ Date 5/3/2021
(Print Name)

Troxler Online Training meets the requirements in Chapter 64E, Part XIII, Florida Administrative Code.

Troxler Electronic Laboratories, Inc.
P.O. BOX 12057 - 3008 E. Cornwallis Road - Research Triangle Park, NC 27709
Phone: (919) 549-8661 - Fax: (919) 549-0761 - www.troxlerlabs.com
