Dear Mr. Courtemanche:

RE: Termination of Docket 03019393, License # 07-20540-01

Thank you for your assistance during our phone call yesterday regarding the termination of the above referenced Docket and License.

As we discussed, attached is a completed NRC form 314 for our former FPC Delaware facility located in Delaware City, Delaware. Also as discussed, all of our devices at our Delaware facility were generally-licensed devices and not associated with the above referenced specific license (no devices were associated with the specific license). The disposition of the generally-licensed devices was communicated via NRC form 664 in May of 2019.

Thank you again for your assistance. Please let me know if any additional is required. I can be reached at tandersen@fpcusa.com.

Sincerely,

Thomas S. Andersen
