This refers to your license renewal request dated June 22, 2021. In order to continue our review of your request, the following additional information is needed:

10 CFR 30.36(f) allows the Commission to grant an extension of the time periods established in 10 CFR 30.36(d) provided that the relief is not detrimental to the public health and safety and is otherwise in the public interest. In support of these conditions:

1. Contact me with a date on which a virtual inspection can be arranged of the materials in storage to confirm their presence and security.
2. Provide a list of the reasons why your plans to re-open by 7/31/2021 were delayed.
