Subject: status of response to July 9, 2021 RAI

Discussion: Mr. Adams believes that Mr. Potter of Coal-Mac has the lead on the response to the RAI. He will check with Mr. Potter and will work with him to respond to the RAI. I let him know that I need to post the information about the change for 30 days but that the incoming letter dated March 8 (and received April 28) did not have the necessary information.

Mr. Adams believes that he has the information readily available for the questions related to Southeastern and will get that information to Mr. Potter. He asked which lawyer should be the lead, and I stated that it does not matter which is the primary contact. He stated he would like to be informed of the activities about this transfer even if Mr. Potter is primary. I stated that both would be sent any correspondence about this until the change of control is completed.
