THE ADVISORY COMMITTEE ON REACTOR SAFEGUARDS

The Commission has approved the request from the Advisory Committee on Reactor Safeguards (ACRS) for the solicitation of a new ACRS Member and approves the draft *Federal Register* notice subject to the enclosed edits.

The ACRS should work with the Office of Chief Human Capital Officer and the Office of Small Business and Civil Rights to evaluate current hiring practices to ensure existing criteria for screening, such as minimum years of experience, are not decreasing diversity of the candidate pool for these selections.
