Dear Mr. Collings:

Per our telephone conversation of July 14, 2021, I am providing you a summary of the requested information needed to complete the indirect transfer of control action.

It is our understanding that Sun Chemical Corporation, a subsidiary of DIC Corporation, is a national company. Please provide a copy of an NRC or Agreement State specific or general license for an entity that is either directly part of Sun Chemical Corporation or is indirectly controlled by Sun Chemical Corporation or DIC Corporation. This information is to confirm that you are a known entity to the NRC.

If this is not possible, please contact me and I will schedule a pre-licensing visit.

Thank you for your cooperation with us.

Steven Courtemanche
