**RE: Homestake Mining Company of California – Grants Reclamation Project - HMC
Revised ACL Application Submittal Schedule Docket 040-08903, License SUA-1471**

Mr. Linton:

Homestake Mining Company of California (HMC) is providing this update regarding the anticipated submittal of an Alternative Concentration Level (ACL) Application for the Grants Reclamation Project, previously scheduled for 3rd quarter 2021. To provide a more complete application, HMC is currently addressing comments received from the U.S. Nuclear Regulatory Commission and National Remedy Review Board, thereby reducing potential requests for additional information. Below is our proposed schedule for submittal, including a pre-submittal briefing and presentation, pre-submission audit, and ACL Application submittal.

Pre-submittal briefing and presentation (public meeting)	October 27, 2021
Upload of submittal for review	November 15, 2021
NRC pre-submittal audit	November 16-19, 2021
Submittal of ACL Application	December 23, 2021
