Mr. Coffey:

By letter dated November 16, 2020 (Agencywide Documents Access and Management System (ADAMS) Package Accession No. ML20329A292), NextEra Energy Point Beach, LLC (NextEra) submitted an application for subsequent renewal of Renewed Facility Operating License Nos. DPR-24 and DPR-27 for Point Beach Nuclear Plant, Units 1 and 2 (Point Beach), respectively, to the U.S. Nuclear Regulatory Commission (NRC).

Based on our review, the NRC staff has identified the attached request for additional information (RAI) and request for confirmation of information (RCI).

These requests for additional information were discussed with Bill Maher and Steve Franzone of your staff, and a mutually agreeable date for the response is within 30 days from the date of this email.

Sincerely,
Bill
