Subject: FYI - Staff General Correspondence Letter Delay
Date: Wednesday, July 28, 2021 8:37:00 AM

Mr. Langley,

We want to give you a heads up that our timeframe for forwarding the general correspondence letter to you (addressing questions from Mr. Blanch, Ms. Rosmarin, and Public Watchdogs) is being delayed. As the staff needs additional time to complete the letter, we will not be able to provide the letter by 7/30/2021 as previously indicated in our June 2, 2021 petition closure letter.

We apologize for the delay. The estimated schedule for completion is August 31, 2021.

Please feel free to reach out to Kevin Williams (PRB Chair) for any questions. He tried to contact you by phone yesterday and left a voicemail with you on the same subject.

Thank you,

Tilda

Tilda Liu, Senior Project Manager

Division of Fuel Management (DFM)

Office of Nuclear Material Safety and Safeguards
