**Subject:** Following up - 6/22 call  
**Date:** Wednesday, June 23, 2021 10:27:00 AM

---

Good Morning,

I'm sorry we were unable to connect yesterday for our scheduled call. Please take a look at the summary Christine sent out last week and let us know if you have any feedback.

The outlook (calendar) series for our regularly scheduled biweekly calls on Friday @ 9 am (MT) expired – so I will send that out again – starting this Friday.

Please let me know if you have any questions.

Thanks,  
Ashley

**Subject:** summary of 6/14 call and possible next steps

Greetings,

Below is a summary of our call on Monday afternoon. Following the summary are some suggestions for near-term actions we can take. You may have noticed that Ashley has rescheduled tomorrow's call for Tuesday, June 22 at 9 AM MT. We look forward to hearing your thoughts on the information below or other suggestions you might have. Feel free to email us your feedback before the 6/22 call!

Thanks,  
Christine

#### Summary of NRC/NNEPA call on 6/14:

##### Participants:

NNEPA – Dariel Yazzie, Dawn Begay

NRC – Ashley Waldron, Jessie Quintero, Christine Pineda, Sandy Talley

Discussion focused on NRC's outreach during public comment extension through October 31, 2021:

1. In-person meeting(s) would be beneficial for target audience (community) – if local conditions allow

2. NNEPA suggested NRC continue outreach as soon as possible, September too late for in-person meeting
3. NRC acknowledged trying to find an appropriate balance with allowing enough time to plan/providing ample notice to community (for in-person meetings)
4. Helpful to use as many Navajo speaking persons as possible that are knowledgeable in the subject areas (e.g. DOE)
5. Look at comment letters (from NNEPA and RWPR) examples of information that needs to be conveyed
6. NNEPA suggested to air radio broadcasts again (in Dine?)
7. NNEPA suggested breaking down information into smaller segments and let people ask questions

Proposed Outreach Activities:

- Replay broadcasts on KTNN and KGAK. We would like your input on whether we should replay both the English and Navajo versions.
- Distribute additional written information through the Gallup Independent. Options to be identified next week.
- Contact chapter houses to set up remote meetings in July. Form of meeting(s) depends on each chapter house's preference (e.g., could be phone calls or calls using Zoom or similar application).
- If possible, hold in-person visit/meetings in August -- could be meetings at chapter houses with large rooms that can accommodate social distancing.
