Louisiana Energy Services, LLC  
NRC Docket No. 70-3103

Subject: Non-Possessing Facility Clearance for Legacy Safety & Consulting, LLC

Enclosed is a Non-Possessing Facility Clearance application that Louisiana Energy Services is submitting on behalf of a contractor that provides support services for the Louisiana Energy Services, LLC. Services provided by the following company require access to classified areas/materials and individuals performing those services will require clearances.

Legacy Safety & Consulting, LLC  
3229 Industrial Drive  
Hobbs, NM 88240

We are hereby requesting a non-possessing facility security clearance at the Confidential Restricted Data Level.

If you have any questions, please contact Jarrod Garcia, FSO at 575-394-5803

Respectfully,

A handwritten signature in black ink, appearing to read "C. Schwarz", is written over a horizontal line.

Christopher L. Schwarz  
Security and Safeguards Manager
