RE: Amendment Request for adding a new treatment unit
License #24-32604-01
Docket #030-37082

August 5, 2021

Dear Colleen Casey:

my email below with control number: CN 626964.

Here are a few things we talked about to clarify my request:

1. The source activity may not exceed 12 curies at the time of medical use same as before.
2. There is no treatment room change.
3. It is a new HDR device we are adding.
4. We are planning to change the HDR device in September during source exchange. We need to receive the amendment 5 weeks prior to installation of new unit. Please approve the amendment by August 10, 2021.

Please fax me at 573-442-2124.

I truly greatly appreciate all your knowledge and help!

Sincerely,

Iris Ouyang, MS, RSO

Hi Sandy

Can you please add the attached to ADAMS? I believe it is additional information for an action Colleen is working on.

She will need the accession number.

Thank you!!
Tammy
