Tim and Michelle,

Thanks again for your time today, and for your cooperation during the conduct of the remote NRC routine inspection. As discussed today, and documented on the attached Inspection Report (NRC Form 591M), the inspection did not identify any violations. Also as discussed, we reviewed and closed a violation from a previous NRC inspection. No response to the Inspection Report is required, but I do request a courtesy email acknowledging receipt. Please retain the Inspection Report for your records.

Feel free to contact Kyle or me if you have any questions at this time or in the future.

Regards and stay safe,
Janine
