Subject: Request to add Nicholas Damico, M.D. as an AU for 10 CFR 35.300, 35.400, and 35.600 material -NRC license no. 21-03646-03
Date: Friday, July 9, 2021 10:58:00 AM

Good morning,

I have reviewed the licensee's request to authorize Dr. Damico as an Authorized User (AU) for 10 CFR 35.300, 35.400, and 35.600 material. I have identified a possible error/discrepancy in the NRC Form 313A(AUT). Specifically, Dr. Lyons is listed as the supervising individual/AU for 10 CFR 35.300 material use on Ohio license no. 02110180077. I verified with the Ahmad Hatami, the RSO, Ohio license no. 02110180077, that Dr. Lyons has not been approved as an AU for 10 CFR 35.300 material use.

Please provide a signed and dated letter from Dr. Lyons clarifying the information/error.

Please provide the response by July 23, 2021 via email directly to me as a pdf.

Thank you

Magdalena R. Gryglak
