Subject: Silver Valley Veterinary Clinic License 11-~~25625~~³⁵⁶²⁵-01 Amendment Request

Silver Valley Veterinary Clinic wishes to amend its radioactive materials license. In Ms. Michell Hammond's email to Silver Valley on Wednesday, March 24, 2021, she stated that based on discussions with her management, Silver Valley could apply to remove condition 12 of the license once Dr. Hass had completed three cases. Dr. Hass completed the requisite three cases on June 22-25, 2021.

We request that condition 12 of the license be revised to delete the requirement that licensed material only be used in the physical presence of Dr. Arno and replace it with a requirement that licensed material shall only be used under the supervision of staff authorized in writing by the RSO. Dr. Arno shall remain the RSO. Upon receipt of the amendment, Dr. Arno will authorize Dr. Hass to use licensed material.

Please contact Dr. Arno at arno@foxfirescientific.com or 817-995-6762 with any questions you may have regarding this amendment request.

Sincerely,

A handwritten signature in cursive script that reads "Matthew Arno".
