Title: Pre-Application Interactions With Kairos Power Regarding the Environmental Report for the Hermes Test Reactor Construction Permit Application

Date(s) and Time(s): August 19, 2021, 01:00 PM to 04:30 PM ET

Location: Webinar

Category: This is an Observation Meeting. This is a meeting in which attendees will have an opportunity to observe the NRC performing its regulatory function or discussing regulatory issues. Attendees will have an opportunity to ask questions of the NRC staff or make comments about the issues discussed following the business portion of the meeting; however, the NRC is not actively soliciting comments towards regulatory decisions at this meeting.

Purpose: NRC staff and representatives from Kairos Power will discuss the content of the environmental report portion of a construction permit application for the Hermes test reactor.
