Re: Change of ownership with name change - NRC License #47-30903-01

Sirs,

Please amend the above referenced license as follows:

Charleston Area Medical Center will assumed financial responsibility for Raleigh Cardiology Clinic, PLLC, **NRC license #47-30903-01**. The change in financial responsibility will also include a name change to **CAMC Cardiology - Beckley**. All licensed material will continue to be used or stored at the 1836 Harper Road Beckley, WV location as listed under Item #10 of the current license. The radiation safety officer for this license will remain Jabran G. Karam, M.D. as stated in item #11. All licensed material will be used by or under the supervision of those listed on the current license under item #12A and B as well as follow the conditions listed under items #13, 14 and 15 of the current license.

All current policies and procedures will remain intact and will be reviewed by Jabran G. Karam, M.D. and presented at the next CAMC Radiation Safety Committee meeting for inclusion in our Radiation Safety Policy and Procedure Manual.
