DISCLAIMER

This is an unofficial transcript of a meeting of the United States Nuclear Regulatory Commission on August 31, 2021, conducted via teleconference. The meeting was open to the public. This transcript has not been reviewed, corrected or edited, and it may contain inaccuracies.

The transcript is intended solely for general information purposes. As provided by 10 CFR 9.103, it is not part of the formal or informal record of decision of the matters discussed. Expressions of opinion in this transcript do not necessarily reflect final determination or beliefs. No pleading or other paper may be filed with the Commission in any proceeding as the result of, or addressed to, any statement or argument contained herein, except as the Commission may authorize.

[11:30 a.m.]

PROCEEDINGS

CHAIRMAN HANSON: Thank you operator. Good morning, I am Christopher Hanson, Chairman of the Nuclear Regulatory Commission, and I am presiding over this public affirmation session, which is being conducted by teleconference.

Joining me are the other currently serving members of the Commission. May I have each Commissioner affirm their presence when I call their name:

Commissioner Baran: Here.

Commissioner Wright: Here.

Also participating are:

Annette Vietti-Cook, Secretary of the Commission: Here, Chairman.

and

Marian Zabler, General Counsel: I'm Here, Chairman.

This meeting is open to the public to listen in.

Madam Secretary, I believe we have one item for affirmation this morning. Would you please lead the Commission through?

ANNETTE VIETTI-COOK: Yes. Today's item is SECY-21-0070 – FirstEnergy Companies and TMI-2 Solutions, Limited Liability Company, Three Mile Island Nuclear Station, Unit 2, Petition for Reconsideration of CLI-21-8. The Commission is being asked to act on a

Memorandum and Order addressing a Petition for Reconsideration of the Commission's decision in CLI-21-8 filed by Eric Epstein, Chairman of Three Mile Island Alert. The Commission in CLI-21-8 denied Three Mile Island Alert's motion to hold the Three Mile Island Nuclear Station, Unit 2 license transfer in abeyance, after concluding that the Commission no longer had jurisdiction over the adjudicatory proceeding, that Three Mile Island Alert's motion did not meet the requirements for reopening a closed record or for staying a license transfer, and that this license transfer did not require a new certification under section 401 of the Clean Water Act.

The Commission has voted to approve a Memorandum and Order denying the petition.

Would you please affirm your votes after I call your name?

CHAIRMAN HANSON: Aye.

COMMISSIONER BARAN: Aye.

COMMISSIONER WRIGHT: Aye.

ANNETTE VIETTI-COOK: Thank you. That's all I have.

CHAIRMAN HANSON: Thank you, Madam Secretary. Would any members of the Commission like to make comments regarding the decision just reached?

CHAIRMAN HANSON: Okay, thank you all for your participation, I'll call the affirmation session to a close.

CERTIFICATE

This is to certify that the attached description of a meeting of the U.S. Nuclear Regulatory Commission entitled:

TITLE OF MEETING: Affirmation Session
(PUBLIC MEETING)

PLACE OF MEETING: Rockville, Maryland

DATE OF MEETING: August 31, 2021

was held as herein appears, is a true and accurate record of the meeting, and that this is the original transcript thereof taken stenographically by me, thereafter reduced to typewriting by me or under the direction of the court reporting company.
