Mr. Cruz-Aedo

This refers to your license application dated June 7, 2021. In order to continue our review, we need additional information listed below.

1. Provide a copy of your Maryland license.
2. Provide the serial number of the last unit that was distributed by the company before the address change.
3. Confirm that there are no changes to the electron capture detectors (ECD), this includes any changes to the referenced in the registration certificate NR-1385-D-101-E.
4. Confirm that there will be no changes to Techcomp USA Inc.'s Quality Assurance program for the distribution location as well as manufacturing location.

We will continue our review upon receipt of this information. If we do not receive a reply from you within 30 calendar days from the date of this email, we will assume that you do not wish to pursue your application.

Please be aware that upon your request, proprietary information submitted to the U.S. Nuclear Regulatory Commission (NRC) may be withheld from public disclosure. To do this, you must follow the procedures in 10 CFR 2.390(b) including requesting withholding at the time the information is submitted and complying with the document marking and affidavit requirements set forth in 10 CFR 2.390 (b)(1).

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

If you have any questions, please feel free to contact me at (301) 415-7640.

Sincerely,

*Shirley Xu*
