Subject: Submission of Material License Amendment Request

Dear Mr. Reichard,

The purpose of this correspondence is to request an amendment of the Environmental Chemical Corporation (ECC) U.S. Nuclear Regulatory Commission (NRC) Material License No. 41-35191-01, Amendment No. 4. The intent of the amendment is to change the location address from Oak Ridge, Tennessee to Lakewood, Colorado.

Requested change is to facilitate consolidation of ECC's radiological services in Lakewood, Colorado and to terminate the lease agreement for the office in Oak Ridge, Tennessee. The ECC Lakewood Office will store all license related documents, records, equipment, and materials in support of the NRC license. Records currently located in Oak Ridge will be transferred to Lakewood. No further operations and administrative functions will be conducted out of the Oak Ridge, Tennessee facility.

Information concerning ECC's materials license is as follows:

NRC Material License No. 41-35191-01, Amendment No. 4

Current Licensee Address:

1. ECC
2. c/o ReNuke Services, Inc.
704 S. Illinois Ave., Suite C-202
Oak Ridge, TN 37830

Requested Change to Licensee Address:

1. ECC
2. 1746 Cole Boulevard
Building 21, Suite 350
Lakewood, CO 80401.

No other changes to operations are requested at this time.

Please contact Keith D. Anderson, CHP, at (303) 356-1267 or at kanderson@ecc.net for clarification or assistance regarding the amendment request.

Regards,

Regional Office
