Ms Clark:

We updated the Louisiana state radiation regulations to remain equivalent with the NRC's regulations, specifically RATS IDs 2018-1 and 2020-2. Please see the accompanying attached cover letter, proposed rule, and compatibility chart documents. The proposed rule, RP069ft, is being published in the August 20, 2021 issue of the *Louisiana Register*.

This is a link to our Radiation Protection regulations:

https://deq.louisiana.gov/assets/docs/Legal_Affairs/ERC/33v15Rad.docx

This is a link to the August 2021 issue of the Louisiana Register, which contains the proposed rule on pages 1150-1165. <https://www.doa.la.gov/media/mdnj2awk/2108.pdf>

If you have any questions, please call me or email me. Thanks.

Judy
