Roberto J. Torres, M.S.  
Senior Health Physicist  
U.S. NRC Region IV

Dear Mr. Torres,

We commit to the following statements:

1. "We have developed and will implement and maintain written procedures for area surveys in accordance with 10 CFR 20.1101 that meet the requirements of 10 CFR 20.1501 and 10 CFR 35.70."
2. "We have developed and will implement and maintain written procedures for safe use of unsealed byproduct material that meet the requirements of 10 CFR 20.1101 and 10 CFR 20.1201."
3. "We have developed and will implement and maintain written waste disposal procedures for licensed material in accordance with 10 CFR 20.1101, that also meet the requirements of the applicable section of 10 CFR Part 20, Subpart K, and of 10 CFR 35.92."

Thank you for your assistance in this matter.

  
Nathaniel B. Berg, M.D.  
Medical Director/Radiation Safety Officer

**Subject:** NRC request for additional information (follow up)

Mr. Kay:

The following three commitments need to be submitted in a signed and dated letter. Please submit signed/dated letter to allow issuance of the renewed license.

1. Please commit to this statement: "We have developed and will implement and maintain written procedures for area surveys in accordance with 10 CFR 20.1101 that meet the requirements of 10 CFR 20.1501 and 10 CFR 35.70."
2. Please commit to this statement: "We have developed and will implement and maintain written procedures for safe use of unsealed byproduct material that meet the requirements of 10 CFR 20.1101 and 10 CFR 20.1201."
3. Please commit to this statement: "We have developed and will implement and maintain written waste disposal procedures for licensed material in accordance with 10 CFR 20.1101, that also meet the requirements of the applicable section of 10 CFR Part 20, Subpart K, and of 10 CFR 35.92."

Thank you for your understanding.

Roberto J. Torres, M.S.  
Senior Health Physicist  
U.S. NRC Region IV
