License No.: 06-08349-04  
Docket No.: 03009293

Dear Patricia Sullivan,

**Please confirm receipt of this email.**

This is in reference to the letter dated August 11, 2021 requesting to amend NRC License Number 06-08349-04. In order to process the request additional information is required.

1. With regard to your request to remove authorization of Dupont Pharmaceutical, Model NES-8429 sealed sources that are specifically listed on your license, provide the following items:
  - a. Confirm you wish to remove the Model NES-8429 sealed sources AND the authorization for any byproduct material permitted by 10 CFR 35.500.
  - b. Confirm that no sealed sources authorized under 10 CFR 35.500 leaked while in the possession of Charlotte Hungerford Hospital. Include supporting documentation such as the most recent sealed source leak test reports for all NES-8429 sealed sources.
  - c. You stated the sources were returned to the manufacturer for disposal. Provide documentation supporting this statement such as a sealed source return acknowledgment or waste disposal manifest for all NES-8429 sealed sources.
2. Regarding the addition of Christopher Pelletier as an Authorized Medical Physicist, please provide documentation of the referenced GammaMedplus iX HDR emergency and clinical operations training. Alternatively, you may complete the NRC Form 313A (AMP) for Christopher Pelletier. The current form can be found here: <https://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a-amp-info.html>.

We will continue our review upon receipt of this information. Your reply must be a letter signed and dated by licensee management. The letter may be scanned and submitted as a pdf document attached to an email. **Please reply by 09/20/2021.**

If you have any questions regarding this request for additional information, please contact me at 610-337-5115 or via email at [Elizabeth.Tindle-Engelmann@nrc.gov](mailto:Elizabeth.Tindle-Engelmann@nrc.gov).

Thank you for your cooperation.
