DISTRIBUTION LICENSE 04-23996-01E

Dear Mr. Davidson:

This letter refers to your license renewal application dated July 1, 2021, Agencywide Documents Access and Management System (ADAMS) Accession no. ML21182A232. In reviewing your application, we have determined additional information is required to complete our review. In order to continue our review, please address the issues listed below. This information is required by Title 10 of the *Code of Federal Regulations* (10 CFR) Section 32.18, "Manufacture, distribution and transfer of exempt quantities of byproduct material: Requirements for license."

1. Please provide a copy of your current possession license issued by the State of California.
2. Submit copies of labels and brochures of your products.
3. Confirm the byproduct material is not contained in any food, beverage, cosmetic, drug, or other commodity designed for ingestion or inhalation by, or application to, a human being.
4. Describe the form of the byproduct material in the final product and confirm it is not incorporated into any manufactured or assembled commodity, product, or device intended for commercial distribution.

We will continue our review upon receipt of this information. If we do not receive a reply from you within 30 calendar days from the date of this letter, we will assume that you do not wish to pursue your application.

Please be aware that upon your request, proprietary information submitted to the U.S. Nuclear Regulatory Commission (NRC) may be withheld from public disclosure. To do this, you must follow the procedures in 10 CFR 2.390(b) including requesting withholding at the time the information is submitted and complying with the document marking and affidavit requirements set forth in 10 CFR 2.390 (b)(1).

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be available electronically for public inspection in the NRC Public
