Re: Radioactive Material License Number: 43-35027-01
Amendment to license

To whom it may concern:

This is a request for an amendment to our current license.

1. Request change of business name to our correct business name. The name of our company did not change with the change of ownership control. The correct business name is as follows:
"Construction Materials Technologies, LLC dba CMT Engineering Laboratories".

Respectfully,

Jeremy Axbom
CMT Engineering Laboratories
Regulatory Compliance Manager,
Radiation Safety Officer

Jeremy

We need to change the company name to CMT Engineering Laboratories LLC with the NRC.
Would you put that together.

Thank you

[EXTERNAL]

Doug,

Thank you for this NOV response. Can you please send on company letterhead the amendment request to change your business name to the correct business name. Be sure to sign & date it and submit it to me & I will get it to our Licensing Assistant to log into our system & assign to me to get it corrected quickly.

Thank you,

Latischa

This is to acknowledge receipt of your: Letter and/or Application **Dated:** 09/01/2021

The initial processing, which included an administrative review, has been performed.

Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
