Subject: Confirmation licensee has not vacated premises.

Discussion: I spoke to Mr. Anderson about whether the licensee had vacated their facilities in Tennessee and whether licensed materials had ever been possessed there. Mr. Anderson stated that they were awaiting word from the NRC before terminating their lease and that no licensed material had been kept at the site. They possess exempt sealed sources at their Colorado office and, when at work at a temporary job site, work under the authority of the client's license or perform activities for which the client is not licensed but with their material. I requested that Mr. Anderson sent me an e-mail stating that no licensed material had been kept in the Tennessee facility.

Action Required: Issue amendment upon receipt of response.
