Hi Jan and Duke,

After some internal conversations, we think we have the appropriate clarification on the supplemental information the staff has requested through the completeness review.

Therefore, I think it's best we cancel next week's public meeting (9/8) while we work on our end proposing the specific plans to supplement to support further staff acceptance and review. We can then resume discussions on 9/16 to ensure we are aligned.

Let me know if you have any questions on that plan. Thanks!

Ross
