Good afternoon,

Please provide a letter confirming that the internal reorganization between Curium US LLC and Curium US PET LLC took place on DATE (you can provide one letter referencing both NRC licenses nos. 13-35179-02 and 13-35179-03).

Also, in the same letter please provide a statement, "We confirm that the reorganizational changes do not constitute a transfer of control as described in NUREG 1556, Volume 15, Revision 1."

Thank you so much

Magdalena
