SUBJECT: RESPONSE TO MANDATORY DECLASSIFICATION REVIEW NRC 001-2020

Dear Mr. Ravnitzky:

On September 3rd, 2020, you sent the U.S. Nuclear Regulatory Commission (NRC) a request for a Mandatory Declassification Review of the "McTiernan Report" under Section 3.5 of the Executive Order (E.O.) 13526, "Classified National Security Information."

The NRC conducted a line-by-line review of the requested document and consulted with other agencies that potentially had equity in the document. All NRC equities in the documents have already been released to the public. The NRC is waiting on an external agency to complete their equity review. The external agency has indicated that they are nearing completion of their review. The NRC will communicate the results of the review as soon as they are received.

In accordance with E.O. 13526 and Title 32 of the *Code of Federal Regulations* Part 2001, "Classified National Security Information," if you feel that this assessment and review is incorrect, you have the right to an administrative appeal, which must be filed within 60 days of receipt of this letter. All administrative appeals shall be made to:

Deputy Executive Director for Reactor and Preparedness Programs
United States Nuclear Regulatory Commission
