Subject: [External_Sender] Update on Topical Reports

Hi Duke and Jan!

I wanted to provide you with a brief update on our submittal schedule for the topical reports. We are still planning to submit the revised MCA Methodology Topical Report on 10/5/21. However, considering feedback from the most recent public meetings, and recognizing that stronger explanation of the intended implementation of the methodology will be useful, we are planning to incorporate an additional supplement to clarify, which will require some additional time. We therefore intend to submit the revised Performance-based Licensing Methodology Topical Report on 10/19/21.

Please let me know if you have any questions.

Thanks!
Ross
