Re: License # 07-20696-01  
BASF Colors and Effects USA LLC  
205 S. James Street  
Newport, DE 19804

Dear Mr. Courtemanche,

I am requesting an amendment to BASF Colors and Effects USA LLC material license number 07-20696-01.

As previously advised in email correspondence on June 9, 2021, and through face-to-face meeting discussion at Newport Plant on August 2, 2021, ownership of BASF Colors and Effects USA LLC was transferred and finalized on July 1, 2021, from BASF Corporation to Sun Chemical, a member of the DIC Corporation. A shareholders resolution followed that will change the legal entity name from BASF Colors and Effects USA LLC to Colors and Effects USA LLC, effective October 18, 2021.

This amendment request is to change Licensee Condition No.1 to Colors and Effects USA LLC.

All other conditions of the license will remain the same and will not be impacted as result of the legal entity name change.

If you have any questions related to this request, please feel free to contact me at (302) 304—2719 or [nolan.collings@sunchemical.com](mailto:nolan.collings@sunchemical.com).
