To whom it may concern,

In accordance with NUREG 1556 Vol.2 this letter is composed to request the Nuclear Regulatory Commission (NRC) that Prime NDT Services would like to amend our NRC License #37-23370-01 and Docket #030-20982. Prime would like to change the Radiation Safety Officer (RSO). See page 1 Table 1 for requested revised items.

Information about the requested RSO is listed below.

The Radiation Safety Officer designated for Prime NDT Services, Inc. , Is Mr. Scott Elliott. Mr. Elliott has been the employed by Prime NDT since 2009 leading the new Ohio office as Operations Director later transitioning into President of Prime NDT in 2018. Scott Elliott received his RSO training certificate in 2017. Mr. Elliott has not been the official RSO but has performed the functions of an RSO over his years of employment. Mr. Elliott's RSO training was received by QSA Global specifically geared towards industrial radiography in the following areas. Instruction in radiation fundamentals, health risks, regulations, licensing, enforcement, dosimetry, instruments, statistics, quality assurance, DOT shipment and receipt of radioactive materials, program management, record keeping, emergency response, and preparing for inspections. A copy of Mr. Elliott's resume is attached.
