We are submitting the attached draft Ohio rules to the NRC for your review to ensure that they are compatible with NRC regulations. The rules were amended in accordance with RATS ID number 2018-3. The draft rules and a chart to aid you in cross referencing the Ohio rules to the applicable NRC regulations is attached.

We believe that the Ohio rules satisfy the compatibility and health and safety categories established in procedure SA-200.

If you have any questions, please feel free to contact me at 614-644-2732 or Michael.Snee@odh.ohio.gov

Sincerely,

Michael Snee
Ohio Department of Health
Radiation Protection
614-644-2732
