Subject: Summary of NRC/NNEPA call on 10/1
Date: Friday, October 01, 2021 1:37:06 PM

Hi Everyone,
Below is the summary of our call today and some actions for NRC and NNEPA. Please reply to all if you have anything to add or clarify.
Thank you and have a good weekend.

Christine

~~~~~

**Attendees:** Elisa Arviso, Lee Anna Martinez-Silversmith, Dawn Begay, Christine Pineda, Jessie Quintero

**1. NRC inspection/site visit**

Christine gave an update on the NRC inspection (of mill site and paperwork) and the separate site tour. NRC, DOE, NMED, and USACE plus Pipeline Road (4 people) toured mill and mine site. No RWPR folks were on the tour.

**2. Updates on chapter house meetings**

No news from the chapter houses except for Pinedale. Christine and Lee Anna agreed to suggest October 14 morning (afternoon also a possibility) to Sarah Jackson (Pinedale). Lee Anna asked about the content of the chapter meetings and Christine responded that we're open to suggestions from chapters on specific topics. If we don't receive suggestions in response to our requests, we'll give our usual presentation and allow for questions as they come up during the presentation.

**NNEPA Action** – Lee Anna will ask Dariel how he wants to contact delegates for potential chapter meetings and then get back to NRC on path forward re: contacting delegates.

**NNEPA Action** ☐ Lee Anna will contact other chapter houses early next week regarding potential meetings.

**NRC Action** – Christine will respond to Sarah Jackson's email suggesting October 14 for a Pinedale Chapter meeting and continue to coordinate based on response.

**3. NNEPA insights/questions**

Lee Anna asked why the NRC could travel for a tour but not for in-person meetings. Christine explained that the tour involved less people and took place primarily outside with people walking around (vs an in-person meeting that would require many people in a room for several hours).

Lee Anna asked about outreach events in October (broadcasts, newspapers). Christine noted that broadcasts will take place on:

KTNN Oct 5-7 starting at 6 PM

KGAK Oct 10-12 starting at 10 AM.

**Other topics**

Christine mentioned that we can use future biweekly calls to discuss anything of interest that might help NNEPA develop additional comments. Elisa asked for copies of others'

comments on the Draft EIS.

**NRC Action** – Christine will send links to comment submittals from the RWPR community and others.

**NRC Action** – Ashley or Christine will send out blue booklets to Lee Anna on Monday.

Next call is on October 15.
