Betsy, apologies. I've been running around with other far less important matters here on campus rather than addressing this license request, and time got away from me. I've been working on it this week, and I hope to have it completed this week, signed by the appropriate management representative, and back to you early next week.

Thanks for your patience and for your kick in the pants! - Donald

Mr. Conner,

It's been about a month since we requested additional information. Please let me know when we can expect a response from you. We are expected to complete this action no later than November 14. If you will need a significant amount of additional time, please let me know so that we can arrange an alternate schedule for completion.

Thank you,
