Subject: Copper Environmental Consulting NRC license Amendment Request for Information
Date: Monday, August 30, 2021 8:34:00 AM

Good morning Ms Krumm,

I am reviewing your license amendment request and have the following requests.

1. Please confirm that the name change from Copper Environmental Consulting to Alloy Group is only a name change and not a change of control.
2. Please provide the most recent leak test prior to the sale of the previous location of any sources that you stored there.

If you have any questions, please let me know.

Thanks,
