I need to confirm some items for our transfer approval, related to your August 31, 2021 email. In items 2 and 3, you referred to Coal-Mac's nuclear program. Is this the program under License No. 47-25599-01? If so

- a. Do you intend Doug Boyd to be listed as the RSO on the Southeastern Land, LLC license?
- b. Do you intend to have the application dated July 16, 2012, currently listed as the commitments for the Coal-Mac license, to also be listed on the Southeastern license? If so, do you wish to amend the Southeastern license to remove their commitments dated /January 11, 2012 (ML12025A064) [note: this is the renewal application from CONSOL of Kentucky, the licensee at that time.] and July 29, 2016 (NL16235A339) [note: this commitments made by Southeastern Land during a 2016 change of control.]
- c. Based on item 1, I believe you intend the name on the license to be changed to Coal-Mac LLC. Confirm if that is correct.

Because your responses to this item will be the basis for amending the license, please provide a pdf of a letter signed by a management representative. Please contact me if you have any questions about this,

Betsy
