**SUBJECT: U.S. DEPARTMENT OF HOMELAND SECURITY, REQUEST FOR  
ADDITIONAL INFORMATION, MAIL CONTROL NO.628260**

Dear Mr. O'Connor:

This is in reference to your letter dated July 20, 2021, requesting to amend NRC License No. 29-13141-06. In order to continue our review, we need the following additional information:

The NRC views a letter signed by a management representative as indication that management has reviewed the application and concurs in the statements and representations contained therein. As such, please provide the following:

- a. Please confirm that you, Mr. Colin O'Connor, are authorized to make legally binding commitments on behalf of the licensee's organization; OR,
- b. If you are not authorized to make legally binding commitments on behalf of the licensee's organization, please provide either of the following
  - i. Provide a signed letter from an individual with such authorization confirming that he/she endorses the requests and statements submitted by you, Mr. Colin O'Connor, on behalf of your organization in the amendment request dated July 20, 2021; OR
  - ii. Provide a signed letter from an individual with such authorizations confirming that he/she does not endorse the requests and statements submitted by you, Mr. Colin O'Connor, on behalf of your organization in the amendment request dated July 20, 2021 and request to withdraw the requests and statements.
- c. Awareness Only, No Response Required - Please ensure that all future requests are signed by an individual authorized to make legally binding commitments on behalf of the proposed licensee's organization, including the response to this request for additional information

We will continue our review upon receipt of this information. Please reply to my attention at [Jonathan.Pfingsten@nrc.gov](mailto:Jonathan.Pfingsten@nrc.gov).

In order to continue prompt review of your application, we request that you submit your response to this letter within 30 calendar days from the date of this letter.

An electronic version of the NRC's regulations is available on the NRC Web Site at: [www.nrc.gov](http://www.nrc.gov). Additional information regarding use of radioactive materials may be obtained on the NRC Web Site at: <http://www.nrc.gov/materials/miau/mat-toolkits.html>. This site also provides the link to the toolbox for updated information on the revised regulations for naturally-occurring and accelerator-produced radioactive materials (NARM).

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>. Please be aware that you may request that certain portions of your submittal to NRC be withheld from public disclosure as proprietary information. To do this, you must execute an affidavit as specified in 10 CFR 2.390. You must list all portions that you wish to be held proprietary, along with your reasoning as to why that is appropriate. While it is allowable, please refrain from submitting proprietary information in support of a license unless necessary. Keep in mind that all NRC licenses are considered to be in the public domain, and therefore may be viewed by any member of the public who requests to see them.

If you have any questions regarding this request for additional information, please contact me at 610-337-5170 or via electronic mail at [Jonathan.Pfingsten@nrc.gov](mailto:Jonathan.Pfingsten@nrc.gov).

Thank you for your cooperation.

Sincerely,

Jonathan Pfingsten, Health Physicist
