Thanks so much. We did capture him in our internal notes and we will ensure the record gets updated with this revised document.

Ashley,

I am sending out an update document. In my spoken remarks, I had mentioned that Larry Camper was on the call, but had failed to note that in my written remarks. These are the same except for one sentence noting that Larry was there as well.

Thanks,

Jeff

Ashley,

Attached are my prepared remarks as well as the substance of the questions/thoughts that Tim and I provided yesterday.

Thanks so much for all you are doing on this effort.

Good morning Jeff – we are working on it now so it shouldn't be too long. You are welcome to send in your prepared remarks for us to review. Note, they'd be publicly docketed. Take care.

Ashley,

Thank you very much.

Do you have a sense of when that might be prepared? Would it be helpful if we transmitted our prepared remarks in written form?

Jeff
