Reference: Letter from OPPD (T. Burke) to USNRC (Document Control Desk), "Organizational and Management Change for Fort Calhoun Station (FCS), Unit No. 1," dated February 1, 2017 (LIC-17-0002) (ML17033B299)

Subject: Organizational and Management Change for Fort Calhoun Station (FCS), Unit No. 1

The purpose of this letter is to announce an organizational and personnel change taking effect November 1, 2021 at Fort Calhoun Station, Unit No. 1.

The organizational title of Vice President – Energy Production and Nuclear Decommissioning has been changed to the Chief Operating Office & Vice President of Utility Operations. Along with this organizational title change, the individual responsible for this position has also changed.

Mr. Troy Via has assumed the vice presidential position with leadership of the decommissioning organization as the Chief Operation Officer & Vice President of Utility Operations replacing Ms. Mary J. Fisher who was previously the Vice President – Energy Production and Nuclear Decommissioning. Correspondence should henceforth be addressed to Mr. Via. Mr. Timothy S. Uehling remains the Senior Director – Decommissioning, but now will report to Mr. Via. Correspondence for the Senior Director – Decommissioning should continue to be addressed to Mr. Uehling.

In accordance with the provisions of Regulatory Issue Summary (RIS) 01-018, "Requirements for Oath or Affirmation," Mr. Via and Mr. Uehling have been granted the authority to represent OPPD on matters before the Nuclear Regulatory Commission (NRC) and to sign certain FCS-related documents under oath and affirmation.

If you should have further questions, please contact Mrs. Andrea K. Barker at 531-226-6051.
No commitments to the NRC are contained in this letter.

Respectfully,

A handwritten signature in black ink, appearing to read 'Javier Fernandez', with a long horizontal line extending to the right.

Javier Fernandez
President and CEO
