Re: USNRC Materials License No. 13-32533-01

Dear Mr. Tran:

Thank you for the correspondence & License Amendment No. 8 dated on October 19, 2021. In this correspondence it was stated the address of 308 East 191st Street, Westfield, IN 46074 was not removed as a location of use pending the date of removal from said location along with a confirmation the material residue is below Title 10 CFR Part 20 requirements.

Date of Removal: August 10, 2021

Confirmation: The material removed from the previously stated location of use it should be known the residue is below Title 10 CFR Part 20 requirements. The cobalt-57 reference vial & europium-152 rod sealed sources have less than 0.005 uCi of removable activity utilizing a dry wipe technique. Additionally, both sealed sources are properly stored so no radiation exposure exceeds natural background.

With regard to the previous paragraph and in response to your correspondence, I am again requesting the removal of:

308 East 191st Street
Westfield, IN 46074 a

as a location of use.

Hi Tammy,

The licensee has moved to the new location and request to delete the former location. In addition, the licensee would like to change its mailing address to a P.O. Box. Please process it in as an amendment request. Let me know if you have any question.

Thank you,
Frank

Dear Mr. Wroblewski:

We completed the review of your amendment request dated August 11, 2021 for NRC License No. 13-32533-01. Based on our current licensing guidance, you will receive the original license amendment with digital signature via electronic transmission.

Attachments are the original cover letter and NRC License No. 13-32533-01 Amendment 8. After downloading, please open the license amendment and verify the validity of the digital signature by checking the light blue bar on the top of the document and/or hover the mouse pointer over the digital signature at the bottom of the document. If the pdf file does not open properly, please try to close the adobe pdf reader application and reopen. If there is a warning that at least one signature is invalid, please validate the signature by moving the cursor over the signature, right click on the mouse, and select "Validate Signature". Please contact us immediately if the signature is invalid.

We appreciate if you could please acknowledge the receipt of this email. If you have any question, please reply to this email or call me at 630-829-9623.

Thank you,

Frank Tran
