**SUBJECT: APTIM FEDERAL SERVICES LLC, ACCEPTANCE OF NOTIFICATION OF
INITIATION OF LICENSED ACTIVITIES AT TEMPORARY JOB SITE, MAIL
CONTROL NO. 628760**

Dear Dr. Somerville:

This is in reference to your letter dated September 30, 2021, notifying the NRC that you had initiated licensed activities at a temporary job site in Williamsburg, Virginia, in accordance with License Condition 18 of NRC License No. 20-31340-01. However, upon further review of the details surrounding the subject licensed activities, the NRC has determined that notification was responsive to License Condition 19 as a result of identification of radioactive materials where none was reasonably predicted to be present.

Your cooperation is appreciated. No further correspondence on this matter is required.

Sincerely,

Betsy Ullrich, Senior Health Physicist
