To Whom it May Concern,

We recently removed 8 tritium powered exit sign and installed 8 new tritium powered sign at The Church of Jesus Christ of Latter-Day Saints located at 1835 E Missouri in Phoenix AZ 85016. I was told to give you notice of this. We are shipping the old sign to SRB technologies in Winston-Salem, NC for proper disposal (NC Radioactive Materials License #034-0534-2). They supplied the new exit sign to us. Let me know if you have any questions.

Thank you,

Kent Rasmussen
